

Titan Regiment Band March-a-thon Corporate Pledges

On Saturday, September 10 2022, the Manor New Tech Titan Regiment will host its First Annual March-a-thon. Scholars will participate in a 4-hour afternoon rehearsal that ends in a free public performance at 8 pm. Funds raised will go directly to supporting scholars in the program. Once our budgeted goal is met, additional funds will go toward the following. (listed below):

Would you consider pledging today?

\$500 – Patron Level

- Listing in the Winter and Spring Concert programs as a supporter of the band
- Titan Regiment window decal for your business
- Text listing on band website

\$750 – Concert Soloist Level

- Listing in the Winter and Spring Concert programs as a supporter of the band
- Logo with hyperlink on the band's website
- Listing in the Winter and Spring Concert programs as a supporter of the band
- Framed "Thank You!" photo of the band and a window decal
- One social media Shout Out
- Announcement of company name at band half-time shows.

titanregimentbb@gmail.com

We hope to see you on September 10th, at the New Tech H.S. football field at 8 pm for the free public performance!

Dear Community Member,

We are the Titan Regiment Band Program from Manor New Tech H.S, and we need your support. In the fall, we march and compete! This means we can be found not only supporting our football team and performing at half-time but also competing in region, area, and even national marching competitions. In the spring, we compete! This means we participate in concert band, auditions, and solo and ensemble UIL competitions that push our musical learning and performance skills. To give our students this enriching fine arts education requires a lot of resources...and that's where we need your help!

Your generosity makes a difference by allowing us to:

- provide meals for the band before football games and before competitions.
- cover fees for clinicians who provide expert instruction and guidance for our scholars
- purchase supplies for making props, flags, and costumes for the marching shows, color guard, and winter guard - these are essential for being highly competitive at marching and guard competitions
- travel to and from competitions
- pay for music licensing, composition, and scoring to engage and challenge our band students
- band banquet
- leadership training, private lessons

The Titan Regiment Band Program

The Titan Regiment's inaugural year was in 2019. When Covid hit, we were unable to experience a full year of band activities until the school year of 21-22. Although a majority of our scholars were new to marching, we took Sweepstakes at our UIL marching competition and moved on to Area where we placed 17th out of 32 bands, a historic feat in our district. In the Spring, we earned our first Sweepstakes at UIL concert on stage, giving us a Grand Sweepstakes for the year, another historic moment for Manor ISD. We are excited about the new school year and expect to achieve higher goals, including State finalists!

Your sponsorship or in-kind donation is entirely tax-deductible as the Titan Regiment Boosters is a non-profit 501(c)(3) here to support all the band and color guard students in our program. As associated show costs continue to rise and districts are unable to provide increased funding, it is more important than ever that our fundraising efforts are successful so that the band experience is accessible to all students.

On behalf of our scholars, directors, and the board of TRB, I sincerely thank you for your partnership and investment in our youth.

Kind Regards,
Beth Ayala - Booster President
